DIARY OF A MOVIE CANDY GIRL

By David Maleh

into our offices in her see-through "Rolling Stones" tee-shirt, we may never have discovered her. She introduced herself to our editors and promptly pulled the skimpy shirt over her head. Her lovely bosoms were staring at the overworked editors, and one of them started eating his typewriter ribbon he was so excited. We realized why she came to see us, and we quickly had her sign all the necessary papers, and we got Hal McQueeney to set up a shooting as soon as possible.

Alright, how many of you guys recognize this girl? Come on, think a little. She's been in dozens of films and television shows and she always plays a bar maid or the cheating mistress. She has played in so many westerns she is starting to walk bowlegged.
